**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a customer of Sonic for my internet connection for at least 8 years. They are a smaller carrier than the ATT but the quality of service they have been providing over the years have been valuable. You get them on the phone right away when you have a problem, or they respond to you e-mail right away. The kind of mom and pap business who really care about the customer.

I want competition between provider and no price hikes that will increases the cost of internet and phone services.

Competition is key for the health of the internet business.

Thank you for saving small caring companies.

Best
